Throughout Block 1 and 2, you will develop your English proficiency, academic literacy and study skills. This means that while you develop your reading, writing, listening and speaking skills, you will also learn how to:

- plan and structure a piece of academic writing
- refer to sources in your writing and speaking
- take notes while listening
- make academic presentations
- take an active part in seminar discussions
- think critically and apply that to your studies
- study independently and manage your time
- research and evaluate texts.

Students entering the 17-week program from Gateway English do not need to complete the first week of the ELB program.

Admission criteria

A minimum overall IELTS score of 5.5 or equivalent, with a minimum of 5.0 in each subskill. If you have a higher English requirement for your Curtin University course, you will need a higher score to enter this program.

Nine-week ELB program

The nine-week program is Block 1 of the 17-week program.

It is designed for students planning to study an undergraduate or postgraduate course at Curtin University with a requirement of IELTS 6.0 or equivalent.

Admission criteria

A minimum overall IELTS score of 5.5 or equivalent, with a minimum of 5.0 in each subskill. If you have a higher English requirement for your Curtin University course, you will need a higher score to enter this program.

10-week ELB program

In the first two weeks of the 10-week program, you will be introduced to academic literacy, prepare for the academic and social aspects of studying at Curtin and begin the transition to life in Australia.

In the following eight weeks you will join block 2 of the 17-week program.

Admission criteria

A minimum overall IELTS score of 6.0 overall or equivalent, with a minimum of 5.5 in each subskill. If you have a higher English requirement for your Curtin University course, you will need a higher score to enter this program.

Two-week ELB program

This program is for students who have achieved the required overall score for entry to their chosen Curtin course, but have not met the required score in one of the subskills.

Course content is tailored to your individual needs and focuses on improving your English abilities in the relevant subskill area.

Admission criteria

You must have met the overall English language score required for entry to your Curtin University course, with one subskill score no more than 0.5 IELTS (or equivalent) below the minimum score required. The required score for your sub-skill can be 6.0 or 6.5.
